

THE PROSPERITY AGENDA

Family-Centered Coaching

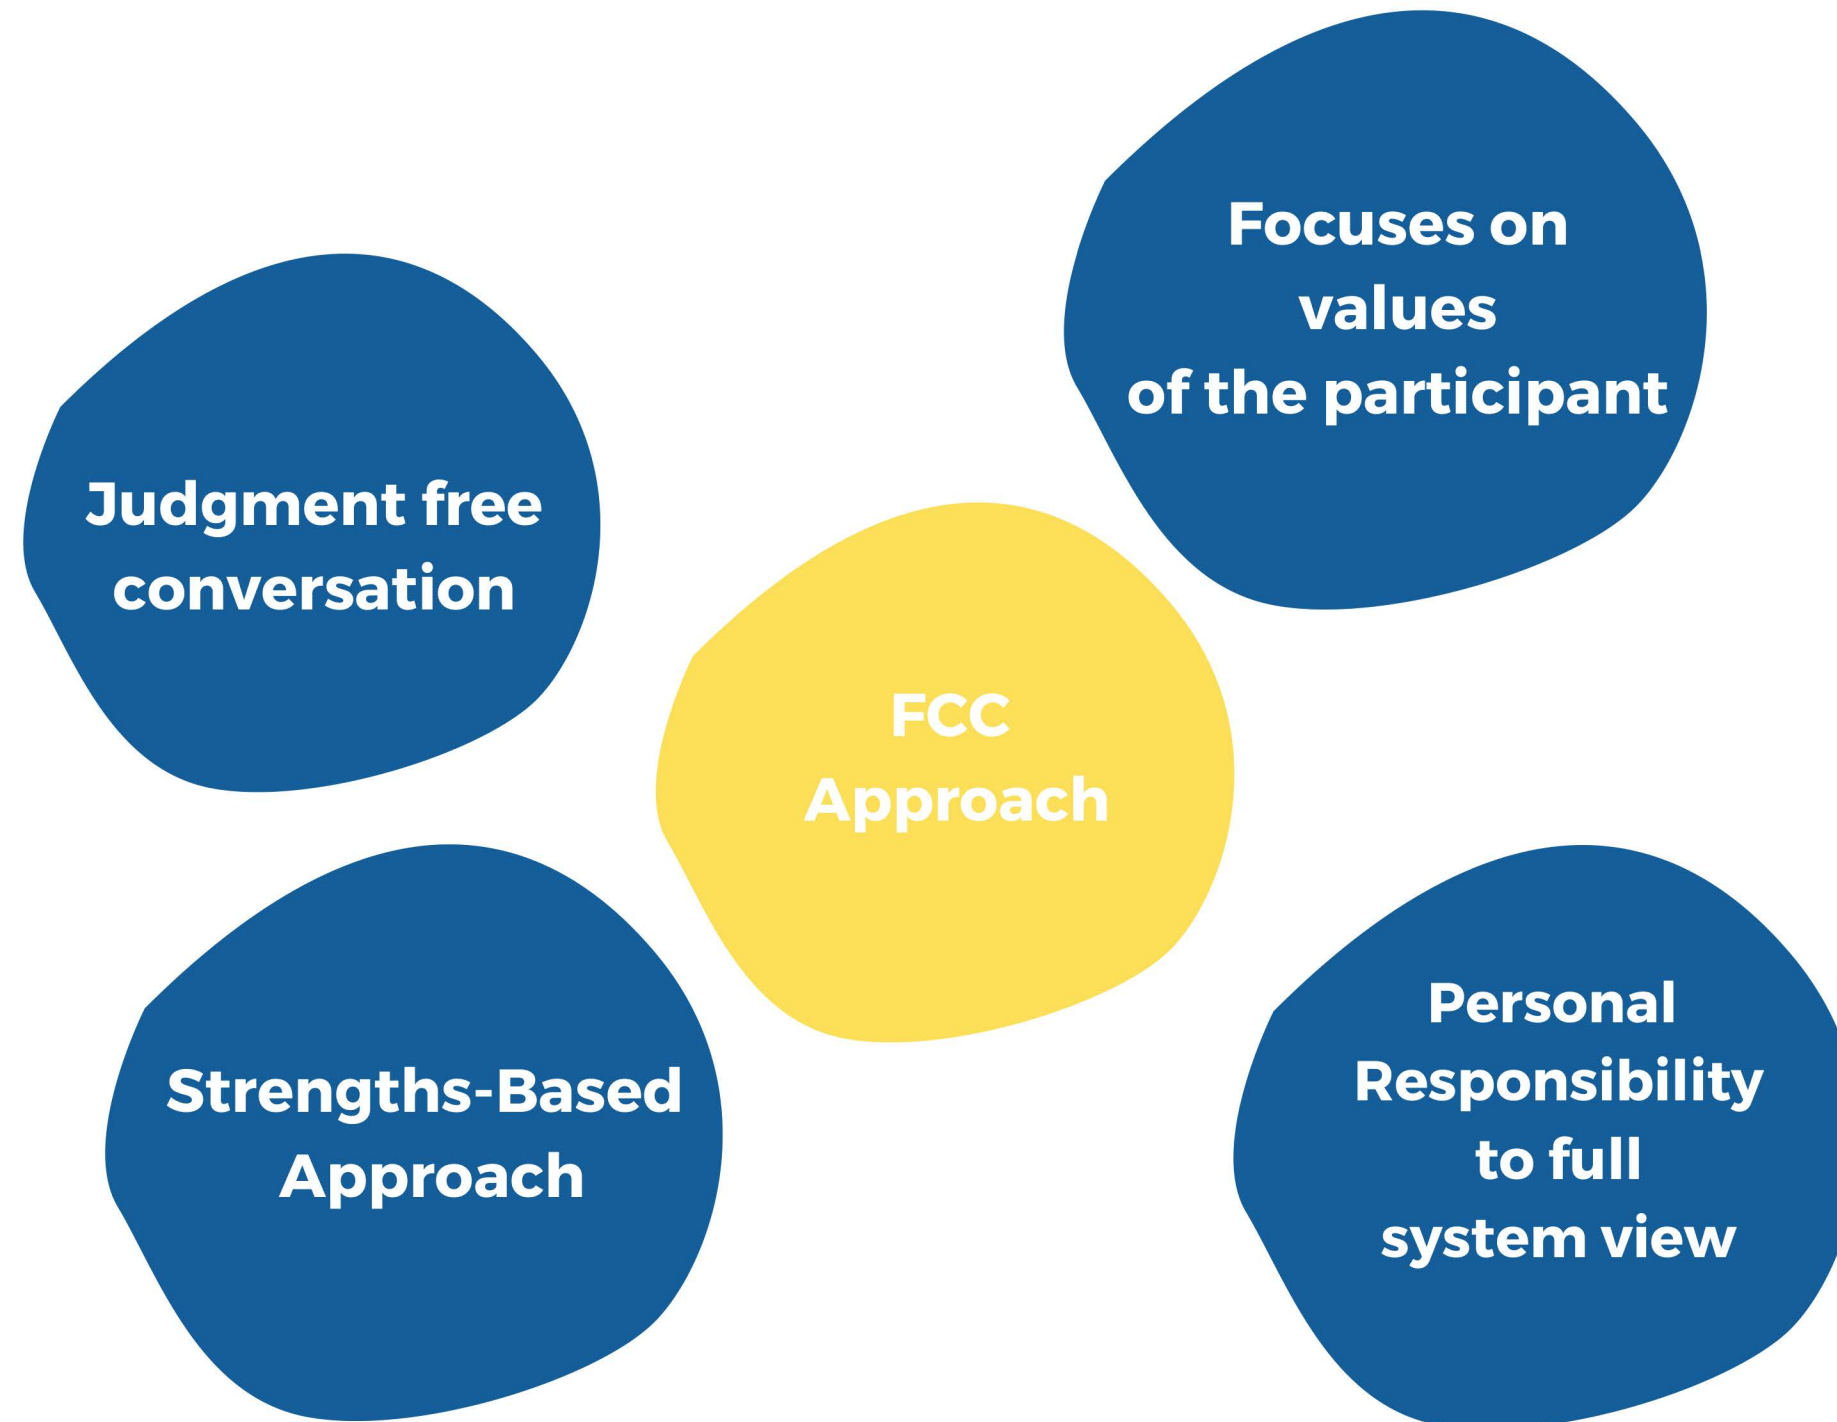

FAMILY-CENTERED COACHING

The **Family-Centered Coaching** framework guides the formation of trusting, collaborative, non-judgmental relationships between practitioners and participants.

This family-centered approach can be used with anyone regardless of their familial status. The framework was designed specifically to support individuals to set and achieve their goals within the context of their family.

FAMILY CENTERED APPROACH

Coaching...

Puts participants in the driver's seat of every session

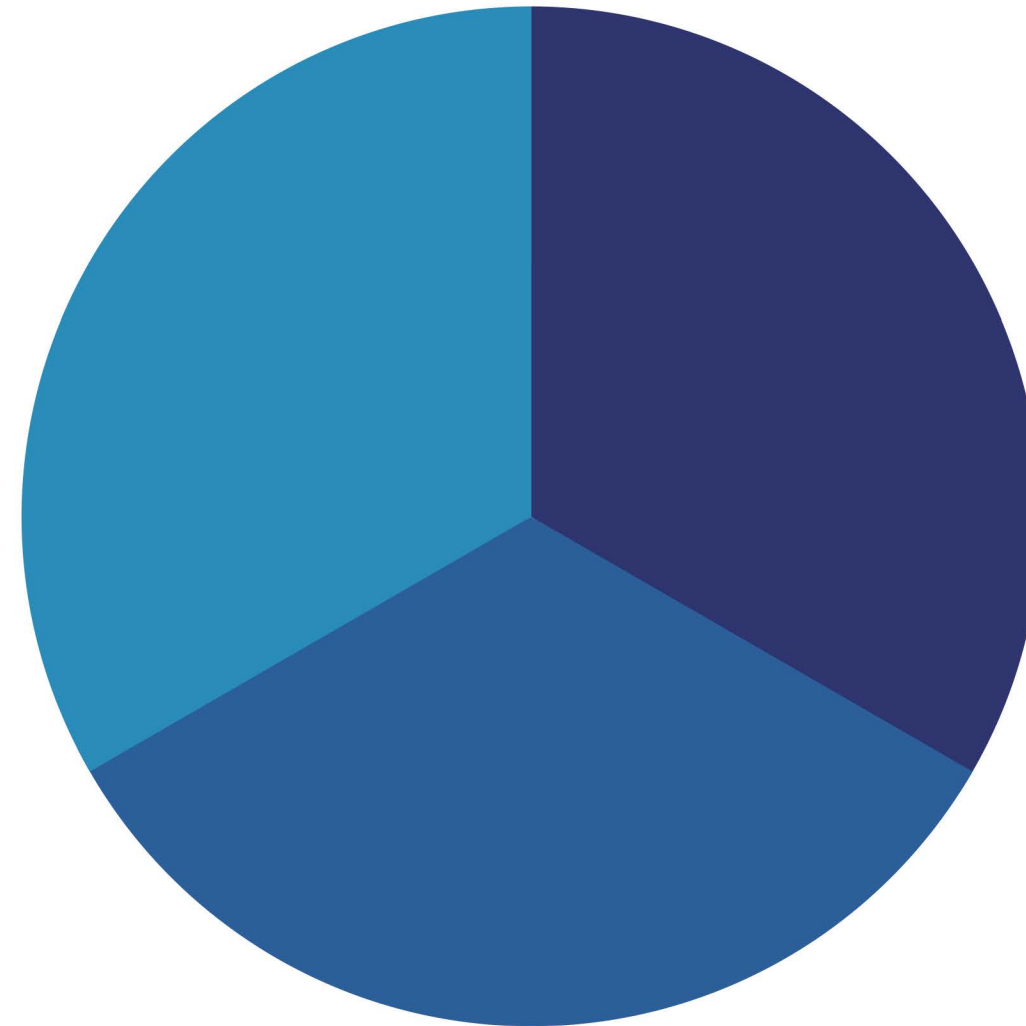

Creates the environment that makes change possible through equitable scaffolding

Empowers coaches to partner with families to make progress on goals based on their values, ideals, hopes and dreams

FLUIDITY OF APPROACH
