The screenshot shows the OFA PeerTA website interface. At the top left is the logo: OFA PeerTA, Strengthening Self-sufficiency Pathways. To the right are navigation links: About Us, OFA Webinars, Newsletter, and Share. Below these are four main menu items: TECHNICAL ASSISTANCE, RESOURCE LIBRARY, PEER CONNECTIONS, and LEARNING CENTER / UPCOMING EVENTS. The 'Technical Assistance' section is highlighted in a dark blue bar. Below this is a sub-section titled 'About Technical Assistance Requests'. The text describes the OFA Peer Technical Assistance Network and lists methods: Peer-to-peer roundtables, Site visits, Workshops, Moderated teleconferences, Environmental scans/annotated bibliographies, and Literature reviews. To the right of the text is a map of the United States with several colored pushpins. On the far right, there is a vertical sidebar with four buttons: 'REQUEST TA' (with a gear icon and an orange arrow pointing to it), 'ASK A QUESTION' (with a question mark icon), 'FIND A RESOURCE' (with a magnifying glass icon), and 'VISIT ONLINE LEARNING CENTER' (with a book icon).

What happens after you submit a Technical Assistance Request?
